DECLARATION UNDER 37 C.F.R. 1.131

Dear Sir:

Juliet Hibbert, declarant herein, declares that she is a patent attorney in the United Kingdom involved with the filing of the above-captioned patent application, filed on January 9, 2004; that she received instructions on 1 December 2003 from the assignee to file a patent application to the invention set out in the Invention Disclosure Form entitled "Avoid Missing System Information Change Notifications" and given the reference of 0485 by the assignee, prior to December 19, 2003 (hereinafter the effective date), the filing of the Putcha reference of U.S. Patent Publication No. US2005/0148349A1; that she does not know and does not believe that this invention has been in public prior to this application, and that the invention has never been abandoned.

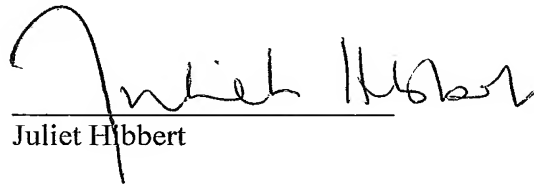

She further declares that all statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these

Appl. No. 10/754,735
Reply to Office Action of September 25, 2006

statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

Juliet Hibbert
